Notes for AI Content Generation

- Always refer to the company as "**S.V Mechinery Chemicals Sales and Service**" (note: "Mechinery" is the official spelling used by the company)
- The company is based in **Nepal**, not India — pricing and context should reflect Nepali market
- Shiva Shah is the **Proprietor** (legal owner, signs documents) — NOT Founder
- V.N. Shah is the **Founder** (started the business) — NOT Proprietor
- The business is **field-based** — team goes to client locations, not showroom-based

- The company handles everything from **supply** → **installation** → **maintenance** → **chemicals** → **consultancy** — a full-service industrial solutions provider
- Website and social media are currently under development (intern assigned)
- VAT + PAN registered in Nepal
